

United States Academic Decathlon® Individual Competition

2024 - 2025 Season Competition Schedule

(Due to time zone differences, the testing schedule may vary for international students.)

Testing Windows and Guidelines

For Rounds 1, 2, and 3, participants can complete the events at any time within the specified testing window. Participants can choose to do the events consecutively back-to-back or space them throughout the available window. Once a participant starts an event, they are not able to leave and return to it at another time; they must finish that particular single event in one sitting.

The Final Round - Round IV Nationals requires participants to be available at specific times on specific dates. Events are broken up into two separate phases, which occur on different dates.

Schedule

Round I - Practice - January 10, 2025 (Division I Only)

Testing Window: 7:00 AM - 10:00 PM US CST – Art, Economics, Literature, Mathematics, Music, Science, & Social Science
